The Farm at Miller's Crossing

2020-2021 Winter CSA Participation Agreement

The price for a Full winter share is \$290, Single Share is \$145. The share includes **four Saturday** distributions of **pre-boxed** seasonal vegetables and frozen summer vegetables for the months of November and December. **Please note...the winter share is picked up at our home farm on Roxbury Road**

The single vegetable share will include 6-10 lbs. of storage vegetables and up to 1-3 packages of frozen vegetables, with other fresh vegetables as weather allows. The vegetables will be washed and free of excessive mud and dirt, and pre-boxed for your convenience. Our own vegetables have been frozen by Farm to Table in their freezing facility.

The philosophy behind Community Supported Agriculture is one of shared risk; farmers and consumers share the risk of crop failure as well as the bounty of the harvest. In this sense CSA is not a co-op. Shareholders support the farm and farmer through an "up-front" payment, which allows the farmer to avoid borrowing money, which is often necessary due to expenses without production income. In return for this investment the farmer manages the farm to provide you with a diverse distribution of the highest quality seasonal produce.
