

The Farm at Miller's Crossing

CSA Participation Agreement 2022

The price for a regular share is \$700. A single share is \$350. The share includes weekly distributions of harvested and cleaned vegetables and herbs from the week of Tuesday June 7th (or Friday, June 10th) through Tuesday October 18th (Friday, October 21st) for 20 weeks. **All CSA members receive a 10% discount at our Farm stand and U-Pick flowers and Herbs.** There is a volunteer requirement of assisting at 1 or 2 “pick ups” per season. This will include setting up the site (bringing the vegetables out of the cooler to the distribution table), writing the share out, and setting up the check off list and bulletin board, or offering other skills (office or farm). There will be a volunteer sign up sheet on the first day of distribution as well as an orientation for new members. We are unable to accommodate switching between days of the week during the season, so if you are unable to pick up your share please call the farm before 4pm on the day of your pick up and a volunteer will bag your share and place it in the cooler for later pick up (during normal business hours). **Your share is donated to Salvation Army if you do not call before 4 pm.**

The distribution are on Tuesdays from 4:00 – 6:00PM or Fridays from 4:00 -6:00 at The Barn at Miller's Crossing (170 Route 217, Hudson NY 12534). The philosophy behind Community Supported Agriculture is one of shared risk; farmers and consumers share the risk of crop failure as well as the bounty of the harvest. In this sense CSA is not a co-op. Shareholders support the farm and farmer through an “up-front” payment, which allows the farmer to avoid borrowing money pre-season, which is often necessary due to early season expenses without production income. In return for this investment the farmer manages the farm to provide you with a diverse distribution of the highest quality seasonal produce.
